APPENDIX 1: Workshop Evaluation Form

The intent of this form is to supply trainers and the PCC BIBCO program with information about the training materials, the content of the workshop, and the trainer's skills in presenting the material. These forms are either given to the trainees on the last day of the workshop or supplied in their manuals.

During the first part of the workshop, trainers need to inform the trainees that an evaluation form will be given to them (if it isn't in their manuals). Explain the importance of completing the form and to whom it should be returned. On the last day of the workshop, trainers can remind the trainees about the form and provide 10 minutes during for its completion. The completed forms can be placed in an envelope at the workshop and returned to the BIBCO Coordinator by the library liaison.
